Annapolis Substance Abuse Prevention

Tuesday, June 16th, 2020 12:00-1:30 pm

Meeting Objectives – *Review strategies and provide updates*

1. Welcome and Introductions! – Angel Traynor

2. Re-opening Phases- All coalition members

Slowly reopening- downtown establishments
Churches are still being cautious but able to communicate with members

3. Youth Engagement- Keshia Brooks & Darin Ford

Important to keep youth engagement up throughout the summer and eventually fall. Kids are missing friends and looking forward to social interaction

Ideas presented by Darin Ford's kids:

- Virtual reality games about good decision making and life choices
- Tik Tok,
- competitions,
- school dances,
- singing contests,
- post its on lockers
- Use social media influences

4. APD Updates

- Summer camps are still happening. STEM, CSI camps and possible fishing trip scheduled but nothing official.

- Roll call trainings are happening virtually
- Officers picking up extra shifts

5. Blog Posts- Mindi Garrett

- Encouraging members to submit ideas for blog posts about anything prevention related
- Possible blog post about TIPS and responsible alcohol beverage service for managers and owners

6. Responsible Beverage Service Training June 25th- Molly Mitchell

- Plan to continue networkin
- ASAP will place flyer in folders to be distributed to Annapolis establishments

7. TIPS Training June 30th- Kayla Speigel

- Risk of increased drinking among young adults because of no quarantine

8. DFC Update- Kayla Speigel

- Submitted on June 8th- funding period has shifted from 12 months to 9 months due to COVID-19 delay of due date

9. Closing- Angel Traynor

- Additional comments**
- Dates to share**
- Next meeting: July 21st**

- Ideas for recovery walk
- Waiting on firm dates for events postponed for the fall but nothing official

- Brainstormed ways to share current data and qualitative information about populations at risk
