South County Bridges  
Monthly Coalition Meeting  
November 6<sup>th</sup> , 2020  
12:30-2:00 pm

**I. Welcome and Introductions**

- a. Staff changes  
Kayla Speigel is new acting coordinator

**II. OMPP Update**

- a. Provider Surveys

Volunteers have been chosen to equally split up contacting providers to complete surveys. Details to follow

**III. Red Ribbon Week Re-cap**

Largest substance misuse prevention campaign in the nation

Elks has been very instrumental in Red Ribbon.

An event focused on substance misuse has been moved to the end of April to align with 'Drug Take Back Day'- figuring out ways to network the event

Numbers of overdoses are increasing in south county and options on the table for allocating funds to address the issue

**IV. Environmental Strategies**

- a. Chosen substances: vaping/marijuana, alcohol and opioids

Look into using sports associations for vaping campaign with participants

\*Rick Brookman

\*Julia Howells with council- South County Chamber of Commerce

- b. Responsible beverage service training-TIPS

Looking to bring TIPS to South County. Potentially reach out to local restaurants. Possibility of holding a session at a community location

- c. Narcan training- trying to expand efforts in South County. Schedule will be updated soon county-wide. Some leadership team members have become trained in Narcan training- option to do it virtually

d. Strategic prevention framework process and training

SPF training scheduled for January 21<sup>st</sup> at the next leadership meeting

**V. Capacity Building & Outreach**

Reach out to school counselors and SADD chapters. There are currently active chapters at both Southern and South River

Look at creating an elevator speech. Utilizing post card for language and networking.

**VI. Upcoming Events**
