- a. 12 Sectors for DFC= (1)youth, (2)parents, (3)law enforcement, (4)schools, (5)business, (6)media, (7)youth-serving organizations, (8)religious & fraternal organizations, (9)civic & volunteer groups, (10)healthcare professionals, (11)state, local & tribal agencies with expertise in substance abuse, and (12)other organizations involved in reducing substance abuse

- b. News article for the Capital and/or Bay Weekly– focus on what we are doing within community (Video Game Project, SOS), get perspective from youth that have been involved, advertise free TIPS & Narcan training, encourage community involvement– *A draft has been made; Judy has contacts for media outlets; Leslie will look over the draft and get something together to possibly submit*

Updates from APD– *There was a recent shift in roles within the Community Outreach team; ASAP proposed the idea to collaborate with APD's Community Movie Night, by providing beverages & snacks, pamphlets & resources to help raise awareness and promote ASAP within the community. Movie Nights run mostly in Spring throughout Summer. We will continue to work on this collaborative effort.*

Strategies

Restaurant Partnership *in development, will be discussing further at this week's leadership meeting; Overall goal is to have establishments and the public throughout city and county, recognize the Partnership logo as an emblem of safe dining. Survey questions are being finalized and then surveys will be disseminated. In future, we will want to work on a possible Media Campaign to help make the logo recognizable to the community.*

i. TIPS Training & Distribution of Alcohol Retailer Folders

1. ~~TIPS training 1/15~~ rescheduled at Annapolis Moose Lodge; another training being rescheduled, date TBA
2. Folders are nearly ready to be distributed; waiting on Budweiser ID Guide

Recent Events-

OCCC Town Hall meeting (December) canceled due to COVID threat– November's event was very well put-on, with assurance that everyone had equal opportunity to make their voices heard regarding distribution of funds.

H2O Clubhouse visit 12/23–planning next visit for late Jan/early Feb– ASAP is making this connection a priority. We want to hear what the youth are thinking, what they are concerned about, what questions they have, what activities they want to be involved with, what things they would like to see happen–we work for them! The youth are our future; we want them to feel that their opinions are important and valued.

Volunteer Opportunities- *incentive gift cards for participation currently ON HOLD temporarily. Contact Mindi hdgarr01@aacounty.org for more information.*

Harm Reduction Kit assembly- Mondays 9-12

Syringe Returns to DOH

Outreach Volunteers- distribute ASAP folders, email Leslie at asap@PreventSubstanceMisuse.org if interested

Upcoming Events

SOS update– *has gained lots of interest; 6 schools already signed up for remainder of school year; ALL schools have requested in-person versus virtual, but COVID numbers have been delaying scheduling; new connections have been made with schools; overall is continuing to be successful and noted as a great need for youth*

Virtual OCCC Town Hall Meeting Wednesday January 18th, 4:30-6:00pm– *AA County is one of the first to receive funds from a recent lawsuit against big pharma and the affects the opioid epidemic has had on our community. This venue to allow our community's voice to be heard regarding where we would like to see the funds be used, where it is needed most, who needs it most, and to use on what projects,*

Blog Posts- all ideas welcome! Submit drafts to Mindi Garrett hdgarr01@aacounty.org
