No updates on the OMPP.

Mindi shared that the elections will be held after the first of the year and will be in effect starting July 1, 2023. Each position will be held for two years. Denise asked Holly to consider a position, possibly chairperson.

Mindi also gave an update on the Safe County Alliance. We will be asking patrons to be tips and narcan trained, offering a safe haven for customers who might be at risk of being harmed.

Capacity building, Mindi shared some skills she recently learned. First look around and ask who is missing and go after a representative from that organization. (We were in a police station and there was no police representation in attendance).
It was suggested that all guests bring a friend. Katie has been toying with the idea of offering an incentive.

Mindi gave an update on the listening sessions (in persons attendees had technical issues)
