

## Northern Lights Monthly Coalition Meeting March 28th, 2024

(Virtual) Michael Dorsey - Grow Home, Leslie Beers - ASAP, Louise Tallifero - DOH Strengthening Families, Chelsea O'Neil - Pathways OMPP

Katie led today's meeting and gave Narcan Training. While most of the attendees (both in-person and virtual) had been trained, all admitted they learned something new they never knew before. Leslie Beers, who designed the presentation, added a few things she shares each time she trains a group. The training took up the entire meeting.

Desi Thomas, a key member of our coalition, is hosting a crucial Suicide Prevention event on June 26, 2024. This event holds significant importance in our ongoing efforts, and more details will be shared in due course.
