Welcome - 2025

We hope everyone has had a great holiday and New Year, along with a few great snow days.

Let's introduce ourselves...

Recap

Defining Community Work

Before the holiday break, we partnered with Kingdom Kare on a fantastic event that gave back to the community. We want to thank our friends at Kingdom Kare and The Health Equity and Racial Equality for including us.

Upcoming Projects

- Listening Sessions
- Sound of Silence Presents: House of Addition Event
- Narcan Training Sessions: Kingdom Care
- Healthy Anne Arundel Drive and Day
- Vape Take Back: Traveling Community Event

Today: Narcan Training

Since we had to go remote today, I thought this would be the perfect opportunity for our annual Narcan Training.
